Superior Rental Management and Tenant Placement Services

Downtown Suites Ltd.

We Protect Your Investment

From Estate Homes to Small Apartment Buildings

to Half Duplexes to Condominium's

Loft and Lane houses

We are licensed under the BCFSA and we will make sure that all activities are compliant under these regulations and BC Residential Tenancy Act. Rest assured that your property and rental income are always safely protected.

We complete an annual inspection to ensure that your property is in good condition and is being used safely. If any general maintenance is required as per the inspection, we will coordinate to have it completed.

All of your rental income and expenses are held in trust accounts and are audited annually by an external professional CPA.

4 Easy Steps To Get Started

1 **Schedule an Appointment with our Leasing Manager**

Contact Lisa Taylor, our leasing manager, who will view the suite and provide a rental assessment as well as explain our management agreement

2 **Approve the Management Agreement**

This agreement sets out the services and fees. We make sure you clearly understand the agreement and encourage you to ask questions

3 **Provide Necessary Documents**

Copy of Property Title, Identification of all the people on title, Suite Information Forms, Strata Bylaws, Copy of Insurance, 3 sets of keys

4 **Provide the $500 Float Fund**

To commence management and marketing, we require a float fund that acts as a contractual fee should you decide to cancel your agreement. The float fund will be remitted back to you once a tenant is placed.

Contact Lisa for your complimentary evaluation!
